

FORTYFOURTH ROUND : JULY 1988 - JUNE 1999

SECTION EIGHT

SCHEDULE 29.3 : PARTICULARS OF MIGRATION AND OWNERSHIP OF LAND BY
NON-TRIBALS IN TRIBAL AREAS

8.0.1 In order to measure the disparity between the tribal and non-tribal households in respect of certain key characteristics and also the extent of displacement of the tribal population from the tribal belts due to in-migration of non-tribals, schedule 29.3 is designed to collect information from the non-tribal households residing in the tribal areas. Thus this schedule will be canvassed only in the rural sector in the villages of general and special samples falling under stratum type 1 (tribal concentrated stratum). The particulars to be collected through this schedule relate to in-migration, economic activity, assets and liabilities along with the details about the extent and manner of acquisition and disposal of land by the non-tribals.

8.0.2 Schedule 29.3 consists of the following blocks :

- Block 1 : identification of sample household
- Block 2 : particulars of field operations
- Block 3 : remarks by investigator
- Block 4 : remarks by supervisory officer (s)
- Block 5 : household characteristics
- Block 6 : demographic and migration particulars of household members
- Block 7 : usual and current week activity particulars
- Block 8 : particulars of land owned and possessed activity on the date of survey
